

Licence for the Multi-source National Forest Inventory Raster Maps

1. General Information

The use of the Multi-source National Forest Inventory raster maps of 2009, 2011 and 2013 is restricted by the terms of use in this licence.

The producer of the material and the owner of the copyright and database protection of the material is The Natural Resources Institute Finland (Luke).

The Licensee is a natural or legal person or organization who makes use of the material covered by this licence.

The producer of the material does not charge any fee on the use of the material in compliance with this licence.

The source of origin and the date of the version of the material must be given when the material is used, as follows (where xx is 12 for the 2009 data, 13 for the 2011 data, and 15 for the 2013 data): © Natural Resources Institute Finland, 20xx.

The Licensee accepts this licence by receiving, downloading or otherwise making use of the material.

2. Terms of the Licence

2.1. Rights of Use

This licence grants a worldwide, free of charge, irrevocable parallel right to use the aforementioned material, which may be freely:

- copied and distributed
- modified and commercially relicensed
- combined with other products
- used as part of an application or service

2.2. Duties and Responsibilities of the Licensee

When using or releasing onwards the material or products made of it, the Licensee shall:

- Mention the copyright or other rights in accordance with Chapter 1, "General Information".
- Declare if the material has been presented/used unaltered/as whole/as processed

- Demand compliance to this Licence when granting licenses to a product or service in which he/she uses the material or part of thereof that is subject to this License
- Delete statement of source of origin if Natural Resources Institute Finland so separately demands.

This Licence agreement does not create co-operation or business relationship between the Licensee and the Natural Resources Institute Finland. When using the material, the Licensee may not claim that the Natural Resources Institute Finland would support or recommend the mode of use concerned.

2.3. Duties and Responsibilities of the Natural Resources Institute Finland

The material has been licensed "as is" and the Natural Resources Institute Finland shall not be held responsible for any errors in the material and shall be free from liability for direct or consequential damage arising from by the use of the material. The Natural Resources Institute Finland does not give a guarantee on the correctness or timeliness of the material or the data in it.

The Natural Resources Institute Finland is not obligated to ensure the continuous availability of the material, or to announce in advance the cessation of availability.

3. Jurisdiction

Finnish law shall apply to this licence.

4. Changes to this Licence

The Natural Resources Institute Finland may at any time change the terms of the licence or apply a different licence to the material. The terms of this licence shall, however, still apply to such material that has been received prior to the change of terms of the licence or the licence itself.
